Hello Friends,

On Saturday, May 4, 2019, The Adolfo Camarillo High School Music Boosters will host the 14th annual Dinner & Auction fundraiser. The evening will include a pasta dinner, silent and live auctions, and live entertainment provided by the ACHS Concert & Symphonic Bands, Jazz Band, Orchestra, and Choir. This is our largest fundraiser and we need your help to make it a success.

The purpose of this letter is to request a tax-deductible donation to support the music programs at Adolfo Camarillo High School. As a donor, your name will be added to our printed event program and our ACHS Music website. Our aim is to benefit from your generosity, while developing a relationship between our program and your business.

With nearly 200 participants this year, our music program continues to grow and we need help now more than ever. Money raised will be used to offset the many expenses required to operate a quality music program. Our musicians are visible in the community, participating in more than thirty competitions, parades, concerts, and events each year. While members and their families contribute substantially to the program, the ACHS Music Boosters budget projects an overall need of \$180,000. We will not be able to reach this goal without additional community support.

We would like to thank you in advance for your generous contribution. The ACHS Music Boosters are a 501 (c)(3) tax-exempt organization and all contributions are deductible to the amount allowed by law under Tax ID # 47-0945780.

Thank you for taking this opportunity to make an impact on the success of the musicians of Adolfo Camarillo High School.

With thanks and appreciation,

ACHS Music Boosters
