Dear colleagues,

We are pleased to invite you to attend the inaugural year of the **CAMARILLO FIELD SHOW** hosted on the evening of **Wednesday, November 10, 2021!** A number of years in the making, we're excited that our proposed field show has come to fruition and that we'll get to share our beautiful scenery and stadium with you, your students, and their families. Ackerman Stadium at ACHS received over *\$14 million* in upgrades in the last year, including new turf and upgraded LED field lighting. As we're conveniently located adjacent to the 101 Freeway and one exit from the 34 Highway connecting to the 118, travel to and from the show is a breeze for groups from Ventura County, Northern/Western LA County, and beyond!

The show will use SCSBOA caption judging, including one music performance judge, one visual performance judge, one general effect judge, one color guard judge, one percussion judge, and a tabulator (per SCSBOA's adjusted COVID protocols for the 2021 season). Take this great opportunity to boost your position on the field grid in the last regular week of the season, and--with the following day as a holiday--don't worry about your students getting enough sleep!

To reserve your band's spot in the inaugural year of the Camarillo Field Tournament, please return your completed application along with a non-refundable check of **\$325 on or before October 15, 2021**. Performance order will be determined by the order in which completed applications (including payment) are received.

For more information, please visit our website at www.ACHSMusic.com/field-tournament or contact via email at cameron.guerrero@oxnardunion.org or via office phone at (805) 834-1486. While applications can and should be sent digitally, all checks should be mailed and made payable to:

**ACHS Music Boosters

We look forward to sharing this experience with you and your groups!
