March 2022

The Adolfo Camarillo High School Music Boosters will be hosting a Silent Auction fundraiser at our annual Pastapalooza Event on May 7th, 2022.

The purpose of this letter is to request a tax-deductible donation to support the music programs at Adolfo Camarillo High School. As a donor, your name will be showcased at our in-person Silent Auction with your item. Our music ensembles perform at this fun event and we are expecting a large crowd this year! Our aim is to benefit from your generosity, while developing a relationship between our program and your business.

With over 200 students participating throughout the 2021-2022 school year, we need your help now more than ever. Money raised will be used to offset the many expenses required to operate a quality music program. While members and their families contribute substantially to the program, the ACHS Music Boosters budget projects an overall need of \$180,000. We will not be able to reach this goal without additional community support.

We would like to thank you in advance for your generous contribution. The ACHS Music Boosters are a 501 (c)(3) tax-exempt organization and all contributions are deductible to the amount allowed by law under Tax ID # 47-0945780.

Thank you for taking this opportunity to make an impact on the success of the musicians of Adolfo Camarillo High School.
