Dear colleagues,

We are pleased to invite you to attend the second year of the **CAMARILLO CLASSIC FIELD TOURNAMENT** hosted on the evening of **Thursday, November 10, 2022!** A number of years in the making, we're excited that our proposed field show is continuing and that we'll once again get to share our beautiful scenery and stadium with you, your students, and their families. Ackerman Stadium at ACHS received over *\$14 million* in upgrades in the last couple of years, including new turf and upgraded LED field lighting. As we're conveniently located adjacent to the 101 Freeway and one exit from the 34 Highway connecting to the 118, travel to and from the show is a breeze for groups from Ventura County, Northern/Western LA County, and beyond!

The show will use SCSBOA caption judging. Take this great opportunity to boost your position on the field grid in the last regular week of the season! With changes in SCSBOA rules, we can't boost our position on the Grid with two Saturday scores any more! Lastly--with the following day as a holiday--don't worry about your students getting enough sleep!

To reserve your band's spot in the inaugural year of the Camarillo Field Tournament, please register on Competition Suite. To help us cover our facility fees, please send an additional **\$50 on or before September 15, 2022**. Performance order will be determined by the order in which completed applications (including payment) are received.

For more information, please visit our website at www.ACHSMusic.com/field-tournament or contact via email at cameron.guerrero@oxnardunion.org or philip.idell@oxnardunion.org or via office phone at (805) 834-1486. While application paperwork can and should be sent digitally, all checks should be mailed and made payable to:

**ACHS Music Boosters
P.O. Box 2366
Camarillo, CA 93011**

We look forward to sharing this experience with you and your groups!
